IS IT POSSIBLE TO HAVE FUN AT SCHOOL?

Oh Yeah!

Whether you prefer hoops, or nets, or a ball and glove, we've got you covered. Or, if the last place you want to be is on the court or on the field, and you would much rather write amazing stories or memorize poetry- we've got that too. If it's hands-on and face-to-face community service you crave, there is something for you at Agape. Maybe you'd like to use your talents making music or creating innovative multi-media projects. If nothing else, you'll surely love just hanging out with friends, making memories, and having fun. Got it! The only question is this.....**What are you waiting for?**

IT'S A GREAT DAY TO BE A KNIGHT!
